Notes for Gift Aid declaration

1. You can cancel this declaration at any time by notifying Street Level.
2. You must pay an amount of income tax and/or capital gains tax at least equal to the tax that the charity reclaims on your donations in the tax year (currently 25p for each £1).
3. If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax that the charity reclaims, you can cancel your declaration (see note 1).
4. If you pay tax at the higher rate you can claim further tax relief in your Self Assessment tax return.
5. Please notify Street Level if you change your name or address.

Thank you...

...for your interest in Street Level – Carluke Churches' Youth Project – Your youth project. It serves the young people of the town and surrounding area by providing a safe place where young people can meet and learn to make positive life choices, and to support those who face difficult situations in their lives.

If you would like to donate a regular amount to help with the cost of running this project then please complete the Standing Order form and take/send it to your bank.

If you pay the standard amount of income tax and you would like Street Level to claim back the tax you have paid on your donation then please complete the Gift Aid Declaration and give the completed form to your Church's Street Level representative or anyone on the Street Level management or hand it in to Street Level for the attention of Jim McIntyre. Or you can post it to Street level c/o Kirkton Church, Station Road Carluke.

N.B. for every pound you donate, Street Level can claim back 25p from the treasury – and it won't cost you a penny extra!

If you would like to help out as a volunteer working with our young people or helping with the running of the project by assisting the management group or giving some time to help staff our biggest funder – Choices Charity Shop (especially Saturdays) then please get in touch.

Thank you and God bless.
